DHARSHINI M

I am a highly passionate and dedicated individual, committed to completing every task with 100% perfection in all aspects. My enthusiasm for continuous learning and problem-solving drives me to excel in challenging environments. I take pride in delivering high-quality work and consistently exceed expectations. My strong work ethic and attention to detail ensure successful project outcomes.

Work Experience

Intern @M.R. Engineers

July 2024 - Present

- During my internship, I designed the drawing for a fire alarm system tailored for apartment complexes, ensuring the design was efficient and user-friendly.
- I successfully implemented this system, leading to a 30% increase in my company's market share by making the system affordable without compromising on quality.

Intern @Codsoft & @Oasis Infobyte

Jan 2024-Mar2024

- I developed skills in front-end and back-end development, gaining hands-on experience with technologies like HTML, CSS, JavaScript, and frameworks such as React and Django.
- I worked on creating user-friendly applications, focusing on UI/UX design and integrating various functionalities using Java and Kotlin.
- Additionally, I worked on machine learning projects, focusing on data preprocessing, algorithm development, and model training using frameworks like TensorFlow and Scikit-Learn.

Acheivements

Winner @Ideathon2K24,Hydrabad

participated at GEN-AI Ideathon

Winner @AICTIC paper presentation-International Conference
Participated at Smart India Hackathon(SIH)
Participated at Visai hackathon
participated at weekly contest-Leetcode and GFG
Leetcode-200 problems
GFG-100 problems

Educational Background

B.E Electronics and Communication Engineering,SKCET

Sri Krishna College of Engineering and Technology
2022-2026
SGPA-8.9 CGPA-8.9

- currently in my 3rd year of study.

Skills

Technical Skills

- Front-End Developer
- Full-Stack Developer
- Java Developer
- Python Developer
- Game Developer
- Embedded Systems Developer
- Web Developer
- Machine Learning Engineer

Languages

- English
- Tamil
- Telugu
- Hindi

Certification

- LangChain & Vector Database in Production
- HackerRank -Basic Certification (DBMS,C++,Java,Python)

Additional Information

- **Leadership: Vice-chair in IEEE@SKCET**
- **Developed ML model to find the Autistic children.**
- **Developed ML model-Histopathalogy.**
